

British Interschool Ski Challenge - ISSC 2010
organised by the British Ski Academy, Les Houches, France, 8/9 March 2010

First Acceptance List & Bulletin 10/02/10

Stop Press The boys' and girls' BASS events for the ISSC 2010 will now be held on separate pistes. As a consequence, late ISSC entries for Minis, Children and Juniors will be accepted until 01 March.

Monday 08 March 17.30 Hotel Etoile des Neiges, Les Houches

Bibs not collected will be available at the Start of each race before inspection opens.

The following plan depends on decisions of the team captains' meeting:

BASS race for Boys: (Children and Juniors) Giant Slalom on Maison Neuve

BASS race for Girls: (Children and Juniors) Slalom on Grand Bois

Minis' race: Giant Slalom on Grand Bois. Three runs, best two times to count.

Tuesday 09 March

Bellevue Teleferique and Chairlift open 08.00 –TBC at Team Captains' meeting

BASS race for Boys: (Children and Juniors) Slalom on Grand Bois

BASS race for Girls: (Children and Juniors) Giant Slalom on Maison Neuve

Minis' race: One full length Giant Slalom on Maison Neuve before the Girls' second run.

Training pistes

The organising club will endeavour to maintain training courses throughout Saturday and Sunday 6/7 March on the Grand Bois piste at the top of the Teleferique Bellevue. Access to these courses will be free, but supervision of athletes is the responsibility of team managers, parents or coaches, who are asked to help with course slipping etc. Training lanes will be booked for visiting teams, but if space is limited teams may have to share courses.

Other notes

Lift passes should be purchased from the Bellevue lift office to be sure of access for the early starts.

The prizegiving will take place in the Espace Olca in Les Houches at 18.00 on Tuesday 10 March.

Minis can only catsuits as undergarments, i.e. they must not be visible.

Hard crash helmets are mandatory. No helmet = no race.

20th anniversary commemorative Interschool Ski Challenge hoodies, with ISSC design on the front and a list of all participating schools (as entered by 20 Feb) on the back, can be purchased during the meetings and the prizegiving or in the Grand Bois finish area during the slalom races.

Help!

With concurrent BASS races and two separate race juries, the organisers will be asking for more volunteers, a dozen extra helpers/gatekeepers per day, to ensure the smooth running of the events.

Helpers and gatekeepers receive a packed lunch and an ISSC hoodie each day! Please email if your team can provide personnel to help with gatekeeping or other duties on one or both race days.

Likewise any coaches/managers facing logistical difficulties because of the split in the BASS races and interested in pooling resources with others in the same boat, please email bsa@blueyonder.co.uk and we will prepare a contact list.

Please advise the ISSC race office if any of the information below is incorrect:
